Renovalia Energy Group delivers drinking water to the municipalities of Villar del Arzobispo and Casinos

Renovalia continues to show its solidarity and help to all those affected as a result of the storm caused by the DANA in the Valencian Community.

In this sense, **it has delivered 3,000 litres of bottled water** to the Valencian towns of Villar del Arzobispo and Casinos for distribution to the neighbouring municipalities that were affected.

Renovalia maintains a firm commitment to the Valencian Community
